### EMERGENCY CLOSING CENTER WEBSITE:

Get school closing information, and sign up for e-mail notifications about Connection's Day School's Status at: [www.EmergencyClosings.com](http://www.EmergencyClosings.com)

## IMPORTANT REMINDERS

- We rarely need to **close school** due to a snow day, but if we do, it will be announced on the Emergency Closing Center system (see above).
- We rarely need to **close school early** due to increasingly dangerous travel conditions and/or another emergency, but if we do, all parents will be called and notified that their child will be coming home early. Students will then be sent home early on their regular bus/cab transportation. It is imperative that we have the most up-to-date phone numbers for parents and all emergency contacts so that we can easily reach you at any time. Please make sure you child has a way into your home, and will be appropriately supervised in the event of such an emergency.
- It is a good idea for each student to have an **extra set of clothes** here at CDS. Clothes can be kept in each student's individual "cubby" in our coatroom. Each student would then have a spare set to use if their become damp/muddy/snowy during an outdoor sports or physical education activity and/or have any other need to change their clothes.
